Drum Machine

- 8 steps (1 bar)
- 4 samples
(kick drum, snare, hi-hat, tom)
- turn on each step for each sample with the switches
(arrow to switches)

Bonus Patch

- receive bonus sounds / events? by plugging the two patch cables coming out of the waterwheel eyes (icon) into the bottom row of jacks
- frequency:
 - the leftmost jack hits every beat
 - the second left hits every 2 beats
 - the third left hits every 4 beats
 - the fourth left hits every 8 beats
 - so on and so forth...
